

AUDA StreetScape Update

July 6, 2011

CONSTRUCTION PROJECT UPDATE

From July 6th–13th, please anticipate construction work to continue between Elder's Station & Pine Street. The waterline replacement work is complete and PCWA will begin removing the high-line water service. Construction on the storm drain will continue this week by Hansen Brothers. Construction crews will continue with sidewalk demolition on the north side of the street.

Beginning next Wednesday, sub-contractor Hemington Landscape will be onsite to begin construction of the new curb, gutter and sidewalk.

Hansen Brothers will continue to have traffic control between Elder's Bus Station and Pine Street with one traffic lane open in each direction on Lincoln Way to facilitate the trenching work. The lanes of traffic will shift according to the construction work. Construction will have no impact on Wednesday Night Live or Auburn Movie Night.

Please anticipate some delays on Lincoln Way. We regret this inconvenience and ask our residents, businesses and visitors to be patient and considerate during the project. The construction will occur over the next five months.

Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder's, near Depoe Bay and off E. Placer St.

More information on the Streetscape Phase II Project can be found online at:
<http://www.auburn.ca.gov/services/PublicWorks/pwStreetScape.html>

If you have any questions regarding the project, please contact Bernie Schroeder at 823-4211 x 144 or Carie Huff at 823-4211 x 142
